1. Among the principal factories of the Military Supply department, the Transport Department and the Medical Department of the Kwangsi Military District Supply and Service Command are the following:
 - a. The 1 Motor Repair Shop in Pinyang (108-44, 23-18) has 200 workers and can repair or assemble (sic) about 350 motor vehicles per month.
 - b. The 2 Motor Repair Shop in Kweilin has 170 workers and can repair or assemble (sic) 200 motor vehicles per month.
 - c. The Motor-tire Factory in Nanning has 280 workers and can repair about 500 used tires per month. This shop was developed from the former 27 Repair Shop of the Nationalist Provincial Highway Administration.
 - d. Four clothing and blanket factories are in Nanning, employing 2,400 workers.
 - e. Two food processing factories are in Wuchou (111-19, 23-28), one a rice-hulling mill with 40 grain-hulling machines, and the other a flour mill which can produce 200 bags of flour per day.
 - f. The Medical Supplies Factory in Nanning has 200 workers. One section of the factory produces sterile cotton.
2. The Kwangsi Military District Supply and Service Command formerly controlled a steel factory, a smelter or foundry, a metal materials factory and an agricultural implement factory. These factories were transferred to the Industrial Bureau of the Kwangsi Government in March 1952.
